

Software License Agreement

Thank you for selecting the Json2Ldap Password Encryption Add-On (the "Software").

This software license agreement ("Agreement") is a legal agreement between you (either an individual or a legal entity) and Connect2id Ltd. ("Connect2id") that describes the terms and conditions of your use of the Software. By receiving or installing the Software, you assent to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you are not granted any rights whatsoever in the Software.

1. License Grant

Subject to the terms and conditions of this Agreement, including the payment of the applicable license fees, the Software is licensed as follows:

(a) Installation and Use. You may install and run instances of the Software in conjunction with licensed deployments of Connect2id Json2Ldap and LdapSync software.

(b) Backup Copies. You may make copies of the Software for backup and archival purposes.

2. Other Rights and Limitations

(a) Maintenance of Copyright Notices. You must not remove or alter any copyright notices on any and all copies of the Software.

(b) Support Services. Connect2id may provide you with support services related to the Software ("Support services"). Any supplemental software code provided to you as part of the Support Services shall be considered part of the Software and subject to the terms and conditions of this Agreement.

(c) Prohibition on Reverse Engineering, Decompilation, and Disassembly. You may not reverse engineer, decompile, or disassemble the Software, except and only to the extent that such activity is expressly permitted by applicable law.

(d) Compliance with Applicable Laws. You must comply with all applicable laws regarding use of the Software.

3. Termination

Your rights under this Agreement may be terminated or suspended by Connect2id immediately and without notice if you or any of your authorised users fail to comply with the terms and conditions of this Agreement.

4. Reservation of Rights and Ownership

The Software is licensed not sold, and Connect2id reserves all rights not expressly granted in this Agreement. The Software is protected by copyright, trade secret and other intellectual property laws. Connect2id and its sub-licensors own the title, copyright, and other worldwide intellectual property rights in the Software and all copies thereof.

5. No Warranties

The software is provided "as is", without any express or implied warranty, including but not limited to any warranties of merchantability, non-infringement, or fitness for a particular purpose. Connect2id does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items contained within the Software.

6. Limitation of Liability

In no event shall Connect2id or its suppliers be liable for any damages (including but not limited to lost profits, business interruption, or lost information) arising from the use of or inability to use the Software, even if Connect2id or its suppliers have been advised of the possibility of such damages, or any claim by a third party.
